CHÂTEAU FLEUR DE JEAN GUÉ

Lalande-de-Pomerol
France

The Château was established in 1897. The Château is located a few steps from the beautiful 12th century church of Lalande de Pomerol. It originally consisted of a plot of 2 Ha. in the town of Lalande de Pomerol. The Château Fleur de Jean Gué now covers 14 Ha., 8 of which are in one piece surrounding a modern wine making facility built in 1992. Sharp cultural practices, and the constant search for quality have made Château Fleur de Jean Gué one of the jewels of the appellation.
