Pays D'Oc

This is our private label from reputable **Chateau Tour St. Joseph, Cru Bourgeoise en Haut-Medoc, Bordeaux**, France. Founded in 1490, today Ch Tour St Joseph remains family-owned and -operated by the 8th generation of the Quancard family.

These two varietal wines are single-vineyard, hand-crafted wines. They are made from grapes grown on vines that are at least 45 years-old. Our selection takes place after in-tank temperature-controlled fermentation is completed, and prior to cask conditioning/aging. Our wines are bottled unfiltered and unfiltered by request, and with a cork finish for the bottle. Also, our wines are bottled prior to affecting the traditional blend of the Chateau as Cabernet Sauvignon and Merlot varietals.

Merlot, Pays D'Oc – Fermented in temperature-controlled stainless steel tanks 21 deg. C for 18 days, with cap punch-downs 2 times per day. Bottled unfiltered and unfiltered (please note that the bottles may exhibit sediment). Final Alc. By Vol. 13.5%.

Structured red, with classic spicy ripe berries flavors, very fine tannin, and long lasting finish.

Cabernet Sauvignon, Pays D'Oc – Fermented in temperature-controlled stainless steel tanks 21 deg. C for 22 days, with cap punch-downs 2 times per day. Bottled unfiltered and unfiltered (please note that the bottles may exhibit sediment). Final Alc. By Vol. 13.5%.

Ripe plum and a nuance of clove, smooth tannin, long and pleasant finish,
